## ARE YOU DEAF? ANY HEAD NOISES?

ALL CASES OF DEAFNESS OR HARD HEARING ARE NOW CURABLE by our new invention. Only those born deaf are incurable. HEAD NOISES CEASE IMMEDIATELY. F. A. WERMAN, OF BALTIMORE, SAYS:

Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion. About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely. I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever. I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours, F. A. WERMAN, 730 S. Broadway, Baltimore, Md.

Our treatment does not interfere with your usual occupation. Examination and advice free. YOU CAN CURE YOURSELF AT HOME at a nominal cost. INTERNATIONAL AURAL CLINIC, 596 LA SALLE AVE., CHICAGO, ILL.

Several congregated themselves at the Methodist Church Sunday night for the purpose of practicing on some new music. We think that singing is a very important yet a much neglected part of church worship, and we trust the people of Clay City will realize this fact.

Rev. R. A. Irvin was greeted by the usual large crowd at his meeting at the Presbyterian church on Sunday. It was a pleasant day and many people were present. Since Mr. Irvin's last meeting the seats have been grained and painted and the exterior presents a pleasant view. —Beattyville News.

Vaughn's Mill postoffice takes the cake for furnishing the best per cent. of paid up subscribers to the TIMES of any postoffice on our book. Out of a very large

list at this office there are but five indebted to this paper. Of course, however, our latest list is not at this country office. Next on the list is Spoutspring, our mother and much beliked town. If all surrounding communities were as liberal in their patronage, newspaper life would indeed be sweet.
